

South County Concert Association

We invite you to join South County Concert Association. We are a non-profit organization that brings a variety of nationally recognized professional performers to our stage. Consider some of the great names in music that have been seen by our members over the years: Johnny Mann Singers & Dancers, Glenn Miller Orchestra, The Moscow Balalaikas, Tony Sandler Christmas Show, The New Christy Minstrels, The Russian State Chorus, The Xavier Cugat Orchestra, Sounds of New Orleans, Banjomania, The Voloshky Dance Ensemble, Black Mountain Male Chorus of Wales, The Chinese Golden Dragon Acrobats, and Peter Nero, pianist.

Join your friends and neighbors at these wonderful musical evenings and become part of this cultural tradition. All performances are held in the Southern High School auditorium and are scheduled from September through May. In addition to the SCCA performances, you can also attend all the Anne Arundel Community Concert Association performances at Severna Park High School and those of the Maryland Concert Series held at North County High School.

Because our organization is **entirely supported by volunteers** we can continue to present quality attractions at very affordable prices.
